1988 INDIANA JUDICIAL REPORT

In 1988, Indiana's judiciary continued to function in an outstanding fashion in the face of ever increasing volume. With very limited exception, the judicial system, structured in the fashion contemplated under the 1851 constitution, was able to meet the needs of the citizens of the state. This was only possible by reason of the dedicated service of judges and court personnel. Paraphrasing Chief Justice Shepard in his State of the Judiciary address to the General Assembly, the judicial system is functioning and the work is being done, but it could be better.

APPELLATE COURTS

SUPREME COURT

The **Indiana Supreme Court** shares with the General Assembly the responsibility for setting judicial policy. Judicial structure, salary levels, jurisdictional requirements and substantive issues of law fall within the domain of the General Assembly. However, the members of the Indiana Supreme Court, primarily under the direction of the Chief Justice, are responsible for the general judicial superintendence. Nineteen eighty-eight was a very busy year for the Indiana Supreme Court, its Commissions and Boards, and the judicial administrative divisions.

The caseload activities of the Indiana Supreme Court are detailed later in this report. These include the traditional case law responsibilities assigned to the highest appellate court in the state, e.g. appeal or review of civil and criminal decisions by lower courts, and a second category of cases relating to the Supreme Court's unique supervisory responsibility, e.g. admission and disciplinary issues. Analyzing the court's activities in this fashion, the data demonstrates that the Indiana Supreme Court docketed 280 criminal cases, 34 civil cases, and 31 original actions (mandate or prohibition) in 1988. Additionally, the Supreme Court entertained and denied 227 petitions to transfer civil matters decided by the Indiana Court of Appeals. With regard to its supervisory responsibilities, the Indiana Supreme Court docketed 10 Board of Law Examiner review cases, 53 attorney disciplinary actions, 6 judicial disciplinary actions, and 21 post-conviction relief matters. These numbers alone, however, do not fully depict the work of the Indiana Supreme Court.

JUDICIAL DISCIPLINE. Article 7 of the Constitution of Indiana grants to the Indiana Supreme Court exclusive, original jurisdiction in matters involving the discipline, removal and retirement of justices and judges in the State of Indiana. Pursuant to various constitutional provisions, statutes, and court rules, the process of screening complaints and prosecuting judicial disciplinary questions before the Indiana Supreme Court rests with the Indiana Commission on Judicial Qualifications. This Commission is staffed by the Division of State Court Administration.

In 1988, the Indiana Commission on Judicial Qualifications received 102 complaints against judicial officials; with the twelve cases pending at the beginning of the year, there was a total of 114 matters on the Commission's docket. The Commission resolved 101 of these cases in 1988. Seventy-six cases were summarily dismissed as frivolous or unfounded, 13 were dismissed as unfounded after an initial inquiry into the circumstances relating to the complaint, one formal charge was dismissed by the Indiana Supreme Court, two judges resigned after the filing of formal charges, two cases were resolved by the issuance of reprimands by the Indiana Supreme Court, and seven cases were resolved by cautionary letters.

During the year, the Indiana Commission on Judicial Qualifications initiated a process of providing written advisory opinions to assist judges in resolving questions which may exist as to permitted conduct. Three formal opinions were issued in 1988:

#1-1988 provided that given the passive nature of involvement in an abstract business and the fact that the type of business does not result in much litigation, a judge's ownership would not violate the code;

#2-1988 provided that a judge was prohibited by Canon 5 of the Code of Judicial Conduct from accepting the gift of co-signature or guarantee from any party or attorney who had or was likely to appear in the judge's court; and

#3-1988 provided that a judge was not prohibited from making a recommendation for employment so long as it is based on substantial, first-hand knowledge of the qualifications of the individual recommended.

In addition to these formal opinions, which are available upon request, the Commission responded in writing to judges whose concerns were primarily local in nature, and the staff responded to numerous judicial inquiries relating to disciplinary issues.

ATTORNEY DISCIPLINE. The above noted constitutional provision also gives the Indiana Supreme Court exclusive, original jurisdiction in matters involving the discipline and disbarment of persons admitted to the practice of law. The duties of reviewing and prosecuting complaints against attorneys is the responsibility of the Indiana Supreme Court Disciplinary Commission. The individuals who serve on this Commission are appointed by the Indiana Supreme Court. The Commission is staffed by seven full-time and three part-time employees. It is funded by a mandatory fee assessed all active attorneys admitted to the practice of law in Indiana.

In 1988 (state fiscal year 1988), the Disciplinary Commission received 983 requests for investigation. Seven hundred and ninety-two grievances were classified as non-misconduct and 191 were classified as misconduct. Three hundred sixty-one of the complaints received emanated from criminal or dissolution matters, 129 came from tort cases, and 86 grew out of will or estate matters. Following the screening process set forth under Admission and Discipline Rule 23, there were 47 formal complaints filed with the Indiana Supreme Court. Also during the period of this report, the Supreme Court entered final disposition on 40 attorney disciplinary actions; the Court issued eleven private and nine public reprimands, suspended seven attorneys from the practice of law, approved eight resignations, disbarred one attorney, and dismissed two cases.

ADMISSION TO THE BAR. Another constitutional responsibility assigned to the Indiana Supreme Court is the admission of attorneys to the practice of law in the State of Indiana. The testing and screening of applicants falls within the purview of the Board of Law Examiners. The individuals serving on this Board are appointed by the Supreme Court. In part, the expense of administering the test is paid through a fee assessed each applicant.

In 1988, 667 applicants took the Bar exam during two separate examinations. This was an increase over the previous year when 591 applicants were tested. The passing percentage for 1988 was 69.27%. Additionally, the Board approved 187 requests for intern status and currently monitors 221 active professional corporations which were formed under Admission and Discipline Rule 27.

STATE COURT ADMINISTRATION. In recent years, the Indiana Supreme Court has been assigned additional duties in the area of state-wide judicial administration for all courts. In toto, these responsibilities may be viewed as systemic judicial obligations. The Court is served in this area by the Division of State Court Administration.

This report is part of that state-wide responsibility and many of the above noted supervisory functions undertaken by the Court touch on this area of activity. Additionally, by statute, the Court is charged with reviewing the business and administrative practices of all offices relating to the judiciary, including the Clerk of the Circuit Court. This function is performed by the Records Management Committee and staffing of this Committee is provided by the Division of State Court Administration.

In 1988, the Records Management Committee focused its attention on the following areas: micrographics, retention scheduling, forms and order book requirements, paper size, security and confidentiality, and tort litigation reporting. The Committee, which is composed of individuals who serve the courts, use the courts, or are charged with administrative duties in the courts, engaged in analysis of judicial activities never before considered in a systemic fashion.

A comprehensive examination of all statutes, past and present, caselaw, and official opinions led to the design and eventual adoption by the Indiana Supreme Court of Administrative Rule 9 which defines all matters within the judicial process and record inventory which are to be maintained in a confidential status. Also, upon the recommendation of the Records Management Committee, the Supreme Court adopted Administrative Rule 10 which, for the first time, describes in a uniform fashion the security requirements for court records.

COURT OF APPEALS

The **Indiana Court of Appeals** is an intermediate appellate court with jurisdiction defined by the Indiana Supreme Court. Simply stated, the Court of Appeals initially considers the appellate matters not within the exclusive, original jurisdiction of the Supreme Court. In 1988, there were two significant changes in the criminal jurisdiction which will impact the Court of Appeals in future years.

At the November General Election, the citizens adopted a constitutional amendment to alter the sentence requirement mandating a direct appeal to the Supreme Court. Prior to this amendment, all criminal cases where the sentence included a prison term of more than ten years were appealed directly to the Indiana Supreme Court. The amendment increased this requirement from ten to fifty years. By rule the Supreme Court has now incorporated this constitutional amendment in the appellate procedure. Also, the Supreme Court has now assigned to the Court of Appeals the initial review of all Post-Conviction petitions. Post-conviction litigation involves a post-judgment challenge to the decision of a court leading to the incarceration of an individual.

The net effect of the changes in the jurisdiction of the Court of Appeals should be to curtail the number of criminal cases clogging the Supreme Court's docket and allow the court of last resort in the state to address a wider range of litigated social concerns.

As in the case of the Supreme Court, the caseload of the Court of Appeals is described in great detail in a later section of this report. In raw numbers, the Court of Appeals docketed 849 new civil appeals, 465 criminal appeals, and 203 post-conviction relief appeals in 1988. This is compared to 1987 when the Court of Appeals docketed 831 new civil appeals, 478 criminal appeals, and 216 post-conviction appeals. As noted above, however, this filing pattern should change in the current year.

TAX COURT

The **Indiana Tax Court** is the most recently created tribunal for appellate relief. A complete description of this and all other courts is set forth at a later section of this report entitled "Indiana's Judicial System". In the main, the Tax Court considers appeals in cases that arise under the tax laws of the State of Indiana. In 1988, the Tax Court had sixty-two cases pending at the beginning of the year, received seventy-two, and disposed of sixty-four matters. Forty-four cases were dismissed or settled and twenty were decided on the merits.

TRIAL COURTS

Again, in 1988, the trial courts of record in Indiana experienced an increase in the number of filings. There was a total of 1,119,557 newly docketed matters in the trial courts. Compared to 1978 when there was a total of 811,214, this was an increase of 308,343 matters or 38%. Compared to 1987, there were increases in the number of Re-docketed Criminal (Post-Conviction Remedies), Infractions, Juvenile Delinquency, Juvenile Paternity, Civil Plenary, Small Claims, Re-docketed Civil, Dissolutions, and Mental Health cases; there was a decline in the filing of Felony and Misdemeanor Criminal matters. The total increase over 1987 filings was 2.2%.

For the first time in the last ten years, there was a decrease in the total number of matters disposed by the trial courts of record. In 1988, these trial courts disposed of 1,044,770 matters as compared to 1987 when there were 1,050,768 dispositions, a very modest decline of .5%. While this may be no more than statistical error, the trend over the last three years could suggest that the judiciary is now performing at capacity under the existing structures. Detailed comparative data is set forth in a subsequent portion of this report. (Caseload information from the city and town courts has not been included in the comparative information.)

FISCAL INFORMATION

The judicial system, as any other public institution, derives its financial resources from the taxpayers of the state. In Indiana, the state, county and local units of government share the costs of operating the courts. In 1988, the State of Indiana spent $26,868,211; the counties, $62,034,184; and local units, $3,978,598 on the direct costs of operating the courts in the state. Over the preceding year, this was a 25% increase for the State and a 13.85% increase for the county and local units. The major area of increase for the state was in its contribution to the Judges Retirement Fund. The largest areas of increase for the counties and local units of government were probation and pauper defense expenditures.

However, not like other public institutions, the judicial system has the ability to and does generate revenues for the services provided. In 1988, the courts generated for the state $31,444,541; for the counties, $30,889,071; and for local units of government, $4,911,018. This was a total of $67,244,630, an increase of 22.83% over the previous year. The net cost of the judiciary (one-third of the government) was $25,636,363.

We encourage you to examine this report in detail. The Division of State Court Administration is pleased to present this information to the public for inspection. As in the past, however, we must acknowledge that this publication would not have been possible without the continued support and assistance of the judicial personnel involved at all levels of the court structure.

INDIANA'S JUDICIAL SYSTEM

The Constitution of Indiana sets out the three branches of state government, the Legislative, the Executive including the Administrative, and the Judicial. The Constitution also provides that the judicial power of the State of Indiana is vested in a Supreme Court, a Court of Appeals, Circuit Courts and such other courts as the General Assembly may establish. The Supreme Court and the Court of Appeals are the appellate level courts, while the Circuit Courts are the courts of general jurisdiction.

Traditionally, Indiana's trial court system has been organized on a county basis through enabling legislation establishing courts in specific counties. As provided in the Constitution, the state has been divided into circuits which are based on county lines, and a circuit court judge is elected for each circuit. Some of the less populous counties have been joined together into one circuit, although today there remain only two such circuits comprised of two counties.

As local needs grew and more trial courts became necessary, the Legislature created additional courts of general and limited jurisdiction, but such courts continued to be structured on a county basis with the county bearing all expenses for court operations, save a portion of the judge's salaries. The superior and county courts are such legislatively created courts. The Tax Court is another legislatively created appellate level court. For the most part, superior courts have general jurisdiction just as the circuit court while the county courts have more limited jurisdiction.

Due to this autonomous nature of the trial courts, there is little uniformity in many of the administrative operations within the judicial system. Employment of court personnel, funding, use of technology and many aspects of record keeping and court operations are handled at the local level. As a result, court structure and court related services can vary widely from county to county.

All counties have a circuit court (four of the ninety-two share two judges). In addition, some counties may have superior courts, county courts or both. Marion County (which has no county courts) is the only county with Municipal Courts and distinct Small Claims Courts. St. Joseph county is the only county with a specialized probate court which also has juvenile jurisdiction.

Legislation also exists enabling cities and towns to establish city and town courts. In the majority of instances, city and town courts are used for traffic matters. The city and town court judges are not required to be attorneys.

Following is a description of the types of courts and numbers presently existing in Indiana. For specific listing of courts in each county, see appendix "1988 Trial Judges."

SUPREME COURT

The Indiana Supreme Court has five justices, one of whom is the Chief Justice of the State (selected by the Indiana Judicial Nominating Commission).[1]

The Supreme Court has original jurisdiction in (a) admission to the practice of law; (b) discipline and disbarment of those admitted; (c) unauthorized practice of law; (d) discipline, removal and retirement of judges; and (e) exercise of jurisdiction by other courts, and (f) issuance of writs necessary in aid of its jurisdiction.

Its appellate jurisdiction includes appeals from judgments imposing a sentence of death, life imprisonment or imprisonment for a minimum term greater than 50 years for a single offense; appeals from the denial of post-conviction relief in which the sentence was death or life imprisonment; appealable cases where a state or federal statute has been declared unconstitutional; appeals from denial of release in habeas corpus cases arising out of criminal, extradition or mental health proceedings; and, on petition, cases involving substantial questions of law, great public importance, or emergencies.[3]

The justices of the Supreme Court are appointed by the Governor after nomination by a Judicial Nominating Commission. After an initial two-year term, they run on a "Yes--No" retention ballot, and, if successful, they then serve ten-year terms.

COURT OF APPEALS

The Court of Appeals became a constitutional court under a 1970 revision of the Constitution. The Judicial Article provides that the state be divided into geographic districts by the General Assembly, and that each district have three judges.[4] Presently, the court has four districts, with a total of twelve judges.[5] The twelve judges select one of their number as Chief Judge, and each district elects a Presiding Judge.[6] The Court of Appeals has no original jurisdiction except as authorized by Supreme Court rules to review directly final decisions of certain administrative agencies.[7] It has jurisdiction over all appeals not taken to the Supreme Court.

The judges of the Court of Appeals are selected in the same manner and serve the same terms as the Supreme Court Justices.

TAX COURT

The Indiana Tax Court came into existence on July 1, 1986. The Tax Court is an appellate level court with one judge who is selected in the same manner as are judges of the Court of Appeals.[8] The Tax Court has exclusive jurisdiction in original tax appeals which are defined as any case that arises under the tax laws of this state and is an initial appeal of a final determination made by (1) the Department of State Revenue; or (2) the State Board of Tax Commissioners.[9] The principal office of the Tax Court is located in Indianapolis although a taxpayer may select to have all evidentiary hearings conducted in one of seven other specifically designated counties.

The Tax Court must also maintain a small claims docket for processing (1) claims for refunds from the Department of Revenue that do not exceed $5,000 for any year; and (2) appeals of final determination of assessed value made by the State Board of Tax Commissioners that do not exceed $15,000 for any year.[10] Appeals from the Tax Court are taken directly to the Supreme Court.[11]

CIRCUIT COURTS

The Indiana Constitution directs that the state be divided into several circuits by the General Assembly and that a judge be elected for each circuit.[12] Eighty-eight of a total of ninety-two counties, constitute eighty-eight circuits, while the remaining four counties are in two "joint" circuits with two counties each.

The Circuit Courts are vested with unlimited trial jurisdiction in all cases, except when exclusive or concurrent jurisdiction is conferred upon other courts. They also have appellate jurisdiction over appeals from City and Town Courts.[13]

In twenty counties[14] the Circuit Court maintains small claims and minor offenses divisions. Civil actions in which the amount sought to be recovered is less than $3,000 and landlord and tenant actions in which the rent does not exceed $500 per month may be filed on the small claims docket.[15] Class D felonies, all misdemeanors, infractions and ordinance violations are heard on the minor offenses docket.[16] Cases on the small claims docket are heard under a more informal atmosphere and without a jury.[17] In the remaining counties, the small claims docket and minor offenses docket have been established within either the Superior or County Court of the county. The caseload on these dockets is referred to as the "County Court Function" or "CCF" of the Circuit or Superior Court.

The judges of the Circuit Courts (with the exception of the Vanderburgh Circuit Court where the judge is elected in a nonpartisan election)[18] are elected every six

(6) years by the voters of each circuit.[19]

SUPERIOR COURTS[20]

Superior Courts are created by the General Assembly as local judicial needs change. Though their organization and jurisdiction may vary from county to county, for the most part, they are courts of general jurisdiction. They have the same appellate jurisdiction as Circuit Courts over appeals from City and Town Courts.[21]

As of December 31, 1988, there were one hundred twenty-nine (129) Superior Courts with one of them being a joint court serving two counties. In some of the counties, statutory language sets up one unified Superior Court with two or more judges, while others, through internal rules, operate their courts as unified county systems.

In counties which have Superior Courts but no County Courts, the small claims and minor offenses divisions are established in the Superior Courts. These divisions have the same small claims and minor offenses dockets as the Circuit Courts.

With the exception of four counties, the Superior Court Judges are elected for six-year terms at the general election.

In Lake[22] and St. Joseph counties, the Superior Court Judges are nominated by a local nominating Commission and then appointed by the Governor for a six-year term. Thereafter, they run on a "Yes -- No" retention ballot. The judges of the Vanderburgh Superior Court are elected in non- partisan elections. In Allen County the Superior Court judges are elected at the general election on a separate ballot without party designation. Vacancies, however, are filled by the Governor from a list of three candidates nominated by the Allen County Judicial Nominating Commission.

PROBATE COURT (St. Joseph County)

The St. Joseph Probate Court is the only specialized Probate Court left in Indiana. The Court has one judge and has original jurisdiction in all matters pertaining to the probate of wills, appointment of guardians, assignees, executors, administrators and trustees, settlements of incompetents' estates and adoptions.[23] The court also has exclusive juvenile jurisdiction.[24]

The judge is selected by the voters of the county at a general election for a six-year term.

MUNICIPAL COURT (Marion County)

The Marion County Municipal Court serves the City-County consolidation of Indianapolis-Marion. The court has fifteen judges,[25] fourteen of whom are trial judges, and one a presiding judge. It has concurrent jurisdiction in all Class D felonies, misdemeanors, infractions, and local ordinance violations. The court has jurisdiction to issue warrants upon probable cause for misdemeanors and felonies committed in the county and to conduct probable cause hearings, to determine sufficiency of recognizance and surety in felony cases, and, upon probable cause determination, to bind such cases over to a court with felony jurisdiction. The Court's civil jurisdiction is concurrent with the Superior and Circuit Courts in all civil cases founded on contract or tort which do not exceed $20,000, and, irrespective of the value of property, in possessory actions between landlord and tenant.[26] The court also has jurisdiction (in the mental health division only) to declare and administer temporary guardianships in conjunction with mental health proceedings involving voluntary and involuntary mental commitments. Appeals from the Municipal Court are taken to the Court of Appeals.[27] The Court also has appellate jurisdiction in cases appealed from the Marion County Small Claims Courts.[28]

The Judges of the Marion County Municipal Court, including the Presiding Judge, are nominated by a local nominating commission and then appointed by the Governor for a four-year term.[29]

COUNTY COURTS[30]

The County Courts began operating on January 1, 1976, when the majority of the Justice of the Peace Courts went out of existence. Since their establishment, there has been a steady move toward restructuring such courts into superior courts with small claims/misdemeanor divisions. As of December, 1988, there were forty (40) County Court Judges in forty-two courts, with two counties each sharing a court.[31]

The County Court has original and concurrent jurisdiction in all civil cases founded in contract or tort where the damages do not exceed $10,000, possessory actions between landlord and tenant, all actions for the possession of property where the value of the property sought to be recovered does not exceed $10,000, Class D felonies, misdemeanor and infraction cases, and violations of local ordinances.[32] The County Court also has a small claims docket similar to that of the Circuit Court. Civil cases of up to $3,000 and possessory actions between landlord and tenant, where the rent does not exceed $500 per month may be filed on this small claims docket.[33]

The County Courts have been specifically precluded from exercising any jurisdiction over cases involving injunctive relief, partition of or liens on real estate, paternity, juvenile matters, probate, receivership or dissolution of marriage. The Court may conduct preliminary hearings in felony cases.[34]

Appeals from the County Court, including its small claims docket, go to the Court of Appeals in the same manner as appeals from the Circuit and Superior Court.

The County Court judges are elected by the voters of the county or counties which the court serves for a six year term.[35]

CITY AND TOWN COURTS

Under a 1975 plan reorganizing Indiana's lower court structure, city and town courts were scheduled to go out of existence on December 31, 1979.[36] Since that time there have been several legislative amendments extending their term. The present status is that a second or third class city or a town may, by ordinance, establish or abolish a city or town court during 1986 and every fourth year thereafter. However, a city or town court which was in existence on January 1, 1986, may continue in operation until it's abolished by ordinance.[37]

A city or town which establishes or abolishes its court must give notice to the Office of State Court Administration.[38] There are forty- nine (49) city courts and twenty-four (24) town courts.

Jurisdiction of city courts varies depending upon the size of the city. All city courts have jurisdiction of city ordinance violations, all misdemeanors and infractions.[39] The city courts have civil jurisdiction of cases where the amount of controversy does not exceed $500. They have no jurisdiction in actions for libel, slander, real estate foreclosure, where title to real estate is at issue, matters relating to decedent's estates, actions in equity and actions involving the appointment of guardians.[40] The civil jurisdiction of city courts in Lake County extends to cases where the amount in controversy does not exceed $2,500.[41] The city courts in Lake County also have extended criminal jurisdiction so that they may hear cases involving violations of all state statutes but can only impose a fine of up to $1,000 and a sentence of not more than one year.[42] A city court in a third class city which is not a county seat[43] has civil jurisdiction of cases involving up to $1,000.

City and Town courts are not courts of record, and appeals are tried de novo in the circuit or superior court of the county.[44] Appeals from the Lake County city courts require some assignment of error in that the filing of a motion to correct errors appears to be a prerequisite.[45]

Town Courts have exclusive jurisdiction of all violations of town ordinances and jurisdiction of all misdemeanors and infractions.[46] Appeals from judgments of a town court are also taken to the circuit or superior court of the county.[47]

City and town court judges are elected for four-year terms by the voters of the city or town. There is no requirement that they be attorneys, and the majority are lay persons.

SMALL CLAIMS COURTS (Marion County)

The Marion County Small Claims Court has eight divisions based on township lines and has territorial jurisdiction throughout the county. The court's trial jurisdiction is concurrent with the Circuit, Superior and Municipal Courts in all civil cases founded on contract or tort in which the claim does not exceed $3,000,[48] in actions for possession of property where the value of the property sought to be recovered does not exceed $3,000,[49] in possessory actions between landlord and tenant in which the past due rent at the time of filing does not exceed $3,000. The Small Claims Court has no jurisdiction in actions seeking injunctive relief or involving partition of real estate, or to declare or enforce any lien thereon (with certain exceptions), or in cases in which the appointment of a receiver is asked, or in suits for dissolution or annulment of marriage. The Court also has jurisdiction to hear petitions for temporary protective orders.[50] The Small Claims Court is not a court of record,[51] and the appeals are tried de novo in the Marion Municipal Court in accordance with rules established by the Municipal Court.[52]

The small claims court judges are elected by the voters within the township in which the division of the court is located. The judge serves a four-year term.

[1] The Supreme Court granted transfer on one juvenile appeal. Juvenile cases carry their own designation ("JV") in the cause number.

[2] Appeals from the Board of Law Examiners wherein applicants are appealing their bar test results are given an Out of State designation rather than showing the county of residence as a device to protect the identity of the applicant. As such, not all appeals from the Board of Law Examiners are from Out of State.

CASELOAD OF TRIAL COURTS

On a quarterly basis, the trial courts of the state provide the Division of State Court Administration with caseload information by filing a standard form (Quarterly Case Status Report). These reports contain information on the cases filed (including those that are received on a change of venue), disposed and pending at the beginning and end of the reporting period. This information is categorized by type of case based on classification which corresponds to a state-wide case numbering system. The reports also show the method of disposition for each type of cases. Other matters, such as number of days with Judge Pro Tempore, number of trials disposed by Special Judges, number of cases heard or disposed by Masters, the use of Court Commissioner or Referee, and the number of days the Judge served in another county are also reported, but are not reflected in this report.

The Indiana Judicial Report is a annual compilation of the information submitted by the trial courts. Volume I of this annual report is a general overview of judicial activities and contains totals for the entire state. Volumes II and III of the annual report present caseload information on a county-by-county basis with separate sub-totals for the courts of record and the other minor courts within the county. The case type designations have been abbreviated and correspond to case type designations used in a state-wide uniform case numbering system.

As used in this Report, the following definitions apply:

CP - Civil Plenary: This category is intended to cover the basic civil case not otherwise specifically listed on the form. It will generally include actions founded in tort and contract, actions dealing with real and personal property, as well as actions seeking equitable or injunctive relief. Civil cases filed in city and town courts are entered as "CP" but are treated separately.

SC - Small Claims: This category reflects the civil small claims filed on the small claims docket of the circuit, superior or county courts and civil cases in the Marion County Small Claims Courts.

Re-docketed Civil: This category is intended to cover the proceedings which arise following the disposition of a civil matter. This category includes cases which are reversed on appeal, cases which are retried by reason of a ruling of the trial court, and proceedings supplemental.

DM - Domestic Relations: This category reflects actions involving dissolutions of marriage, petitions for support, annulments and legal separations.

Re-docketed Domestic Relations: This category reflects matters which are reopened after an initial resolution. Most frequently, this category would consist of petitions for modification of custody or support. Actions for reciprocal enforcement of child support are included in this category.

MH - Mental Health: This category is intended to reflect proceedings involving mental health commitments. A proceeding seeking temporary commitment, an extension of temporary commitment, regular commitment or termination of a commitment would be reported in this category.

AD - Adoption: This category reflects the filing of petitions to adopt.

ES - Estates: This category reflects those causes which involve the probate of estates. Claims against the estate which are transferred for trial are listed as "Civil" matters.

GU - Guardianship: This category is intended to reflect the number of guardianships that are before the court during the reporting period. When application for appoinment of a guardian is filed, the report reflects a "new filing" under this category. When the guardianship is discharged, the guardianship is considered closed and is counted out of the system.

TR - Trusts: As with guardianships, this category reflects trusts which are before the court during the reporting period.

MI - Miscellaneous: This category reflects routine civil matters which do not relate to any other pending litigation. This would include petitions for name change, appointment of appraisers, marriage waivers, tax warrants and petitions for temporary protective orders.

CF - Criminal Felony: This category covers all cases filed as felonies. If a defendant is charged with both, a felony and misdemeanor, the case is counted one time under the most serious charge.

CM - Criminal Misdemeanor: This category covers those criminal cases which are filed as misdemeanors.

Re-docketed Criminal: This category reflects those criminal matters (Felony and Misdemeanors) which have been reopened after being initially decided. This would include petitions for post-conviction relief, sentence modifications as well as retrials.

IF - Infractions: This category reflects all infraction cases. As with felonies and misdemeanors, when a defendant is charged with multiple offenses of varying severity, the case is reported one time in the category of the most serious offense.

OV - Ordinance Violations: This category reflects those cases where a defendant is charged with violating a local ordinance.

MC - Miscellaneous Criminal: These are criminal matters which cannot be classified as a felony or misdemeanor but which require some amount of judicial scrutiny.

JC - Juvenile CHINS: This category will reflect those juvenile cases before the court where a child is alleged to be a child in need of services.

JD - Juvenile Delinquency: This category will reflect cases before the court in which a child is alleged to be a delinquent.

JP - Juvenile Paternity: This category reflects paternity actions filed by any of the parties specified by statute, including the prosecutor.

JM - Juvenile Miscellaneous: This category is intended to include those juvenile matters which are not specifically listed in the previous three categories. An example in this category would be approval by the court of informal adjustments.

Re-docketed Juvenile: This category includes all juvenile matters (CHINS, Delinquency and Paternity) which have been decided and reopened. Examples falling in this category are support and custody modifications in paternity cases, review hearings in juvenile matters and revocation of probation.

PENDING - NAC: The "NAC" column in the Pending charts indicates the number of cases which are pending but which the court can take no action. Many of these are criminal matters or infractions in which the defendant has failed to appear.

1988 FISCAL REPORT

Pursuant to Indiana Code 33-2.1-7-3, the Division of State Court Administration is directed to collect and compile statistical data as to the receipt and expenditure of public moneys by and for the operation of the courts.

This portion of the report is intended to present a general financial overview of the expenditures of Indiana's courts and revenues generated through their operation. The financial information is gathered on an annual basis at the end of each calendar year. This is a manual data gathering system whereby each court prepares a form and forwards it, by mail, to the Division of State Court Administration. The reporting forms call for the court's requested and approved budget, the actual expenditures and the amounts collected by the clerk through the various fees and costs. This publication, however, reflects only the expenditure and revenue data; the requested and approved budgets are available, but are not published here.

EXPENDITURES

The Supreme Court, Court of Appeals and Tax Court are funded through appropriations from the State general fund. The Indiana State Auditor's Report contains information as to the expenditures by these courts and other state level expenditures on related functions.

Indiana's trial courts are funded through appropriations from the respective county's general fund. State funds are used only for portion of the judges' salaries[1] and for special judge expenses.[2] In some of the more populous counties, separate budgets are maintained for probation services, juvenile services and pauper defense services. These expenses have been included in the final totals. Expenditures which have not been included are those not directly related to the court's operation, such as the prosecuting attorney's office and the clerk's office.

The city and town courts are funded by the respective municipalities. In many instances a distinct city or town court budget is not maintained, and all expenses are paid directly from the local general fund. This practice makes it extremely difficult to provide accurate expenditure information on the city and town courts.

The Marion County Small Claims Courts are funded by the respective townships through budget appropriations.

REVENUES

Revenues generated through the operation of the trial courts are collected, accounted for and disbursed by the Clerk of the Circuit Court, an independently elected constitutional office. The Clerk of the Circuit Court also functions as the clerk of the county and, as such, performs many other functions not related to court operations.

These revenues are generated primarily from filing fees, costs and fines and user fees assessed to the litigants. They are disbursed to either the state, county or local general fund or to a long list of special funds established by the Legislature for specific programs and services. In order to provide the information needed to fulfill this requirement, trial courts must invariably rely on the figures provided to them by the Clerk's office which actually collects the moneys. As a result, the revenue reporting forms have been designed to correlate the fee collection reports used by the clerks. This is important as it underscores the nature of the data presented in this report and the fact that it is not intended as an actual accounting of receipts.

Revenues generated through the city, town and Marion Small Claims Courts are collected by the local clerk and disbursed pursuant to statutory provisions. The only direct payment fee in existence is the personal service of process fee charged to small claims litigants in the Marion

County Small Claims Courts. This fee goes to the constable and his deputies.[3]

Prior to a 1987 Legislative amendment,[4] court costs and fees were collected under a complex and burdensome structure which provided for more than twenty different fees to be charged in different cases and disbursed to different funds. Effective July 1, 1987, the Legislature enacted a somewhat more simplified schedule of court costs. Following is an explanation of the costs and fees reflected in this report.

COURT COSTS AND OTHER FEES

Upon the filing of a civil case, a guilty finding in a criminal case, or a judgment for an infraction or ordinance violation, the litigant is charged a specified court cost. In addition, the General Assembly has designated numerous other fees which could be charged under certain circumstances. Many of the added fees are so called "user fees" which pay for defendants' enrollment in court or prosecutor sponsored programs. Following is a description of the costs and fees:.

1. Court Costs: In every case resulting in a felony or misdemeanor conviction a fee of $100.00 is charged ($110.00 effective 7/1/89);[5] In each action which results in a judgment for a violation constituting an infraction or ordinance, the fee is $50.00;[6] In each juvenile action, the fee is $40.00;[7] In each civil action, the fee is $55.00;[8] The fee in small claims cases is $30.00;[9] (This does not include small claims cases filed in the Marion County Small Claims Courts. The fees in those courts are set out in IC 33-11.6-4-5.) The fee in probate and trust matters is $100.00;[10]

These court costs include service of process by mail, unless service by sheriff is required.[11]

2. Court Costs - State Portion: Of the total amount collected through court costs the clerk of the circuit court distributes semi-annually to the state auditor for deposit in the state general fund, fifty percent (50%) of the amount collected.[12]

3. Court Costs - County Portion: The county share is forty-seven percent (47%) of the total collected from court costs; it is forwarded to the county auditor.[13]

If a county police pension fund has been established in the county, the sheriff may present a claim for each service of process and the county fiscal body will appropriate $12.00 for each claim.[14]

4. Court Costs - City and Town Portion: Three percent (3%) of the collected fees is the qualified municipality share distributed to each city and town maintaining a law enforcement agency that prosecutes at least fifty percent (50%) of its ordinance violations in a circuit, superior, county or municipal court of the county.[15] The county auditor determines the amount to be distributed to each city and town based upon a specific formula; the funds are distributed semi-annually.[16]

5. Court Costs in City and Town Courts: The fees collected through the city and town courts are distributed as follows:

> a. Fifty-five percent (55%) semi-annually to the state auditor for the state general fund;
>
> b. Each month the city or town fiscal officer distributed fifteen percent (15%) of the fees to the county auditor as the county share and thirty percent (30%) is retained as the city or town share.[17]

6. Special State Fund: In order to assure funding of the special programs and activities previously supported through fees collected from litigants, the law provides that twice a year the state auditor must transfer to the state treasurer $4,865,500 for deposit into eight specific funds pursuant to percentages set out in the statute.[18] Those funds are:

> a. Family Violence and Victim Assistance Fund - 15.26%
> b. Judges Retirement Fund - 7.3%
> c. Law Enforcement Academy Building Fund - 4.83%
> d. Law Enforcement Training Fund - 19.54%
> e. Violent Crime Victims Compensation Fund - 12.48%

f. Motor Vehicles Highway Account - 37.12%
g. Fish and Wildlife Fund - 0.42%
h. Division of Addiction Services Account for administration, certification and support of alcohol and drug services pro grams - 3.05%

7. Fines and Forfeitures: Fines and forfeitures assessed in criminal cases go to the State Common School Fund pursuant to a constitutional provision.[19]

8. Infraction Judgments: This category reflects moneys collected as infraction judgments in cases involving state law violations. (See also "Deferral Program Fee".) Infraction judgments go to the state general fund.

9. City and Town Infraction Judgments: This category reflects amounts collected as judgments for local ordinance violations. They go to the respective municipality. (See also "Deferral Program Fee".)

10. Vehicle License Fee: This category represents amounts collected as infraction judgments in overweight vehicle cases. These funds go to the State Highway Fund rather than the general fund.[20] (See also "Deferral Program Fee".)

11. Support Fees: This category reflects a fee collected in actions in which a final court order requires a person to pay support or maintenance payments through the clerk. The fee may be $10, $20 or $30 depending on when it is paid.[21] The fee goes to the county general fund.

12. Bond Administration Fee: When a defendant executes a bail bond with the clerk, ten percent (10%) or $50.00, whichever is less, may be retained as the administrative fee which is reflected here.[22] These fees also go to the county general fund.

Effective 7/1/89, when public funds have been expended on defense, the court must order the clerk to remit the difference, if any, and retain [illegible] rest, between the bond deposit and the cost of pauper defense. The retained amount is deposited in a Supplemental Public Defender Services Fund established by IC 33-9-11.5. Prior to 7/1/89, this applied to only Allen County. Any amounts collected under these provisions are reflected in the "other" category.[23]

13. Death Benefit Fund Fee: The clerk must also collect or retain $5.00 for each bond. This fee is remitted semi-annually to the Public Employees Retirement Fund for deposit in a special Death Benefit Fund. The fund provides a $50,000 lump sum death benefit to the spouse or children of a public safety officer who dies in the line of duty. With the approval of the clerk, this fee may be collected by the county sheriff who remits it to the clerk. These fees are reflected in the "other" category. (This section expires 12/31/93.)

14. Late Surrender Fees: When a bonded defendant fails to appear, a late surrender fee based on a percent of the value of the bond is assessed against the bondsman. This fee is deposited in the Police Pension Trust Fund set up under 36-8-10-12.[24]

15. User Fees: This category reflects the total amount of user fees collected by the clerk. These user fees are then deposited with either the county auditor or, in the case of city and town courts, with the fiscal officer of the city or town. The user fee funds are used to pay for various programs. The special programs must submit a claim to the county auditor or the city or town fiscal officer who then appropriates the claimed amount from the general user fee fund to the special program or fund.

a. County User Fees: This fund consists of and may be used for the following:[25]

1. Pretrial diversion program fee
2. Informal adjustment program fee
3. Marijuana eradication program fee
4. Alcohol and drug services program fee
5. Law enforcement continuing education program fee
6. "Deferral Program Fee" - effective 7/1/89
7. Alcohol Abuse Deterrent Program Fee - effective 7/1/89

All but the informal adjustment program fees are collected by the clerk; the informal adjustment fee is collected by the probation departments.

b. City and Town User Fees: This fund consists of and may be used for:[26]

1. Pretrial diversion program fee
2. Alcohol and drug services fee
3. Law enforcement continuing education program fee
4. Deferral Program Fee -- effective 7/1/89

The following is a description of the user fees collected:

1. A Marijuana Eradication Program Fee of no more than $300. It may be set by the court pursuant to IC 15-3-4.6-4.1 to be charged in criminal convictions under IC 35-48-4 (offenses relating to controlled substances) in a county where a weed control board has been established.[27]

2. An Alcohol and Drug Services Fee may be collected in criminal, infraction and ordinance violations as set by the court pursuant to IC 16-13-6.1-31(c).[28]

3. A Law Enforcement Continuing Education Program fee of $3.00 is collected in each criminal, infraction or ordinance violation.[29]

4. A Pretrial Diversion Program Fee is collected when there is an agreement between the prosecutor and the accused as set out in IC 33-14-1-7. The accused is charged $50.00 as an initial fee and $10.00 monthly. It is charged in lieu of the court costs.[30] Effective 7/1/89, the prosecutor can certify to the county fiscal body that the funds in the program exceeds its needs and the county council may, by ordinance, appropriate the excess funds to the prosecutor's office for any purpose specified in the appropriation. IC 33-19-8-7, as added by Acts, 1989, P.L. 289.

5. An Informal Adjustment Program Fee of $5.00 to $15.00 may be ordered by the court to be paid in cases where a juvenile has been placed in an informal adjustment program prior to having a petition filed.[31]

6. Deferral Program Fee -- Effective 7/1/89, this additional user fee may be collected in infractions and ordinance violations instead of court costs or any infraction judgments when the county prosecutor or attorney for the municipal corporation sets up a deferral program for such cases.

Under such a program, the prosecutor or the attorney for the municipal corporation can offer a defendant in an infraction or ordinance violation action to enter into an agreement with the law enforcement official whereby the defendant agrees to pay an initial users fee of $50 and a monthly users fee of $10 and to comply with the conditions of the program. There are no statutory guidelines for the conditions or duration of such deferral programs, and, since infractions and ordinances are civil in nature and carry no time for incarceration, it is not clear how long a monthly users fee may be charged.

The clerk of a traffic violations bureau can accept a program agreement from a defendant. The court must dismiss the infraction or ordinance when the prosecutor or municipal attorney requests the dismissal of the deferred case. IC 33-19-5-2 and 33-19-8-3, as amended by P.L. 288, Acts 1989; IC 34-4-32-1 a amended by P.L. 288, Acts 1989.

7. Alcohol Abuse Deterrent Program Fee or Medical Fee -- Effective 7/1/89, the circuit court may establish an alcohol abuse deterrent program after the county fiscal body adopts a resolution approving the program. This applies to a circuit court that is not authorized to establish an alcohol and drug services program.

The program applies to criminal proceedings in which the use or abuse of alcohol is a contributing factor or a material element of the offense. In such cases, the court may, with the consent of the defendant and the prosecutor, conditionally defer the proceeding for up to 4 years (with exception for certain repeat offenses) and may order the defendant to complete the program. The court must order the deferred defendant to pay a deterrent program fee of no more than $350 or a medical fee of no more than $100, or both, unless the defendant is indigent.

The Deterrent Program Fund is established by the county auditor; it is administered by the circuit court which submits claims for disbursement of the funds. IC 9-11-5-1 et seq., as added by P.L. 126, Acts 1989. (Chapter 5 expires 12/31/96); IC 33-19-5-1, as amended by P.L. 51 and P.L. 126, Acts 1989.

c. State User Fees -- Effective 7/1/89, the following two fees will be collected for a state user fee fund:[32]

1. Drug Abuse, Prosecution, Interdiction and Correction Fee: The court shall assess the above fee of at least $100 and not more than $1,000 against a person convicted of an offense under IC 35-48-4 (controlled substance). The clerk collects the fees and distributes them semiannually to the state auditor for deposit in the state user fee fund established in IC 33-19-9-2.

2. Alcohol and Drug Countermeasures Fee: In each action in which a person is found to have committed an offense or violation a statute defined as an infraction under IC 9-11-2 (DUI), or a person who has been adjudicated a delinquent for an act that would be an offense under 9-11-2 if committed by an adult, and the person's driving privileges are suspended, the clerk collects alcohol and drug countermeasures fees of $20. IC 33- 19-6-10, as added by Acts 1989, P.L. 126.

The State User Fee Fund is administered by the treasurer of the state. The treasurer transfers $175,000 to an Alcohol and Drug Countermeasures Fund established by IC 9-6-2-9 and divides the remainder to four other funds:

40% to a Drug Interdiction Fund set up by IC 10-1-8 and administered by the State Police;

20% to a Drug Prosecution Fund set up under IC 35-14-8-5 and administered by the Prosecuting Attorney's Council;

25% to a Corrections Drug Abuse Fund established under IC 11-8- 2-11 and administered by the State Police; and

15% to a Local Law Enforcement Drug Abuse Prevention Fund established under IC 5-2-6-15 and administered by the Criminal Justice Institute.

These fees are also collected by the clerk of a city or town court who distributes them semiannually to the state auditor for deposit in the State User Fee Fund for the above two fees.

16. Guardian Ad Litem or Special Advocate Fees: The trial court may order the parent or estate of a child for whom a guardian ad litem or a special advocate is appointed to pay up to $100 for the service. The money is to be deposited in a designated fund and used for providing these services.[33]

17. Adult Probation User's Fee: This category reflects user fees charged to adults placed on probation after a conviction of a felony or misdemeanor. In felony cases the fee is mandatory; it ranges between $25 and $100 as an initial fee and between $5 and $15 as a monthly users fee for each month the person remains on probation.[34] In misdemeanor cases, the probation user's fee is optional with the court. If imposed, the initial fee cannot exceed $50 and the monthly fee cannot exceed $10. The fees are deposited in a county adult probation services fund which is used for probation services.

18. Juvenile Probation User's Fee: A court may order a juvenile and/or the parent of a juvenile who is placed on supervision to pay an initial user's fee of $25 to $100 and a monthly user's fee of $5 to $15. These fees are deposited with a Probation Services Supplemental Juvenile Fund and are used for the specifically designated purpose.[35]

19. Document Fee: This category reflects fees collected by the clerk for copying and preparing documents.[36]

20. Interest on Investment: This category reflects

income generated through deposits of various funds.

VOLUME II

This volume of the Indiana Judicial Report reflects caseload and fiscal information for every court in Indiana with sub-totals for each county. This includes data on the number and type of cases filed and disposed in each court. It also reflects the amount of funds expended for the operation of each court and the amounts generated by virtue of the operation of the court. A roster of the number and type of court employees in every court is also reported here.

For state-wide totals, a discussion of the reported item and a description of the judicial system, the reader should refer to Volume I. Volume III contains data which further defines the way cases are disposed.

VOLUME III

Volume III of the 1988 Indiana Judicial Report contains data which further defines the trial court caseloads reported in Volume II. This information includes individual court data on the type of case disposition, i.e. by jury trial, dismissed, etc. It also contains tables on the number and type of cases venued into and out of each court.

For a more extensive discussion of the reporting system and Indiana's judicial system, readers should refer to Volumes I and II.
